This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard(s)

EN 1304:2005

under system 4 (according to Construction Products Regulation) are applied and that

the factory production control fulfils all the prescribed requirements set out above.

This certificate will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly.

The validity of the certificate is confirmed annually by reissuing while observing the rules for certification of CTEC Ltd.
